Subject: Application for the post of Laravel Developer.

I am writing to express my interest for the Laravel Developer as advertised in Facebook. Your advertisement for the post indicated requirements that closely match my background and expertise.

The role is very appealing to me, and I believe that my strong technical experience and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- I have successfully designed, and developed many web applications
- I have strong analytical, problem solving and time management skills
- I have strong skill in web development both back-end and front-end
- I strive continually for excellence

I have a comprehensive understanding of the full life cycle for web development projects. With my practical experience and academic knowledge, I am confident that I can become a good developer at your company. I also have experience in learning and applying new technologies as appropriate. Please see my resume for additional information on my experience.

I believe my academic background, experience and skills fit with this position. I would appreciate the opportunity to meet with you to discuss how my qualifications will be beneficial to your company's success. Please do not hesitate to contact me at +8801721544957 or by e-mail at amimul.ahsan369@gmail.com, if you have any question or if you would like to arrange an interview. Thank you for your time and consideration.

Sincerely,

.....
